VARSDTY CHEERLEADERS--BACK TO FRONT: B. Arnold, L. Arnold, E. Eggan, C. Haugan, V. Schollmeyer, and J. Stauffacher.

The varsity and junior varsity cheerleaders have been very busy this year with their many projects to raise school spirit. Besides their normal duties of leading the cheers at all the games, the cheerleaders have organized what is known as the Pep Club. This club is open to each and every student at Parkview. The club sits in one section of bleachers at the games and cheers the team on to victory.

At every home-game, the captain for the night runs through a large paper hoop made by the cheerleaders. This starts the game off with a bang and gets the spectators in the cheering mood.

The cheerleaders have many cheers that they lead the crowd in during the games.

JUNIOR VARSITY CHEERLEADERS--LEFT TO RIGHT: P. Roy, P. Kitelinger, J. Lee, and K. Peterson.

Activities

The plans for the annual were made by the two co-editors and the junior editor.

Our advisor and our two business managers handled the business end of the book.

Viking Staff

The annual staff consists of members from the sophomore, junior and senior classes. We have added a new office, the assistant editor, who is a representative of the junior class.

The VIKING staff, under the direction of Mrs. Marilyn Bock, has spent many hours in trying to provide you with a memorable annual. We have added thirty pages, used the latest ideas for layouts, and with the assistance of the photography club, we have been able to take and develop many of our own pictures.

It is our sincerest hope that this annual is well-liked by everyone.

The co-editors are Pam Mahlum and Wyonne Church.

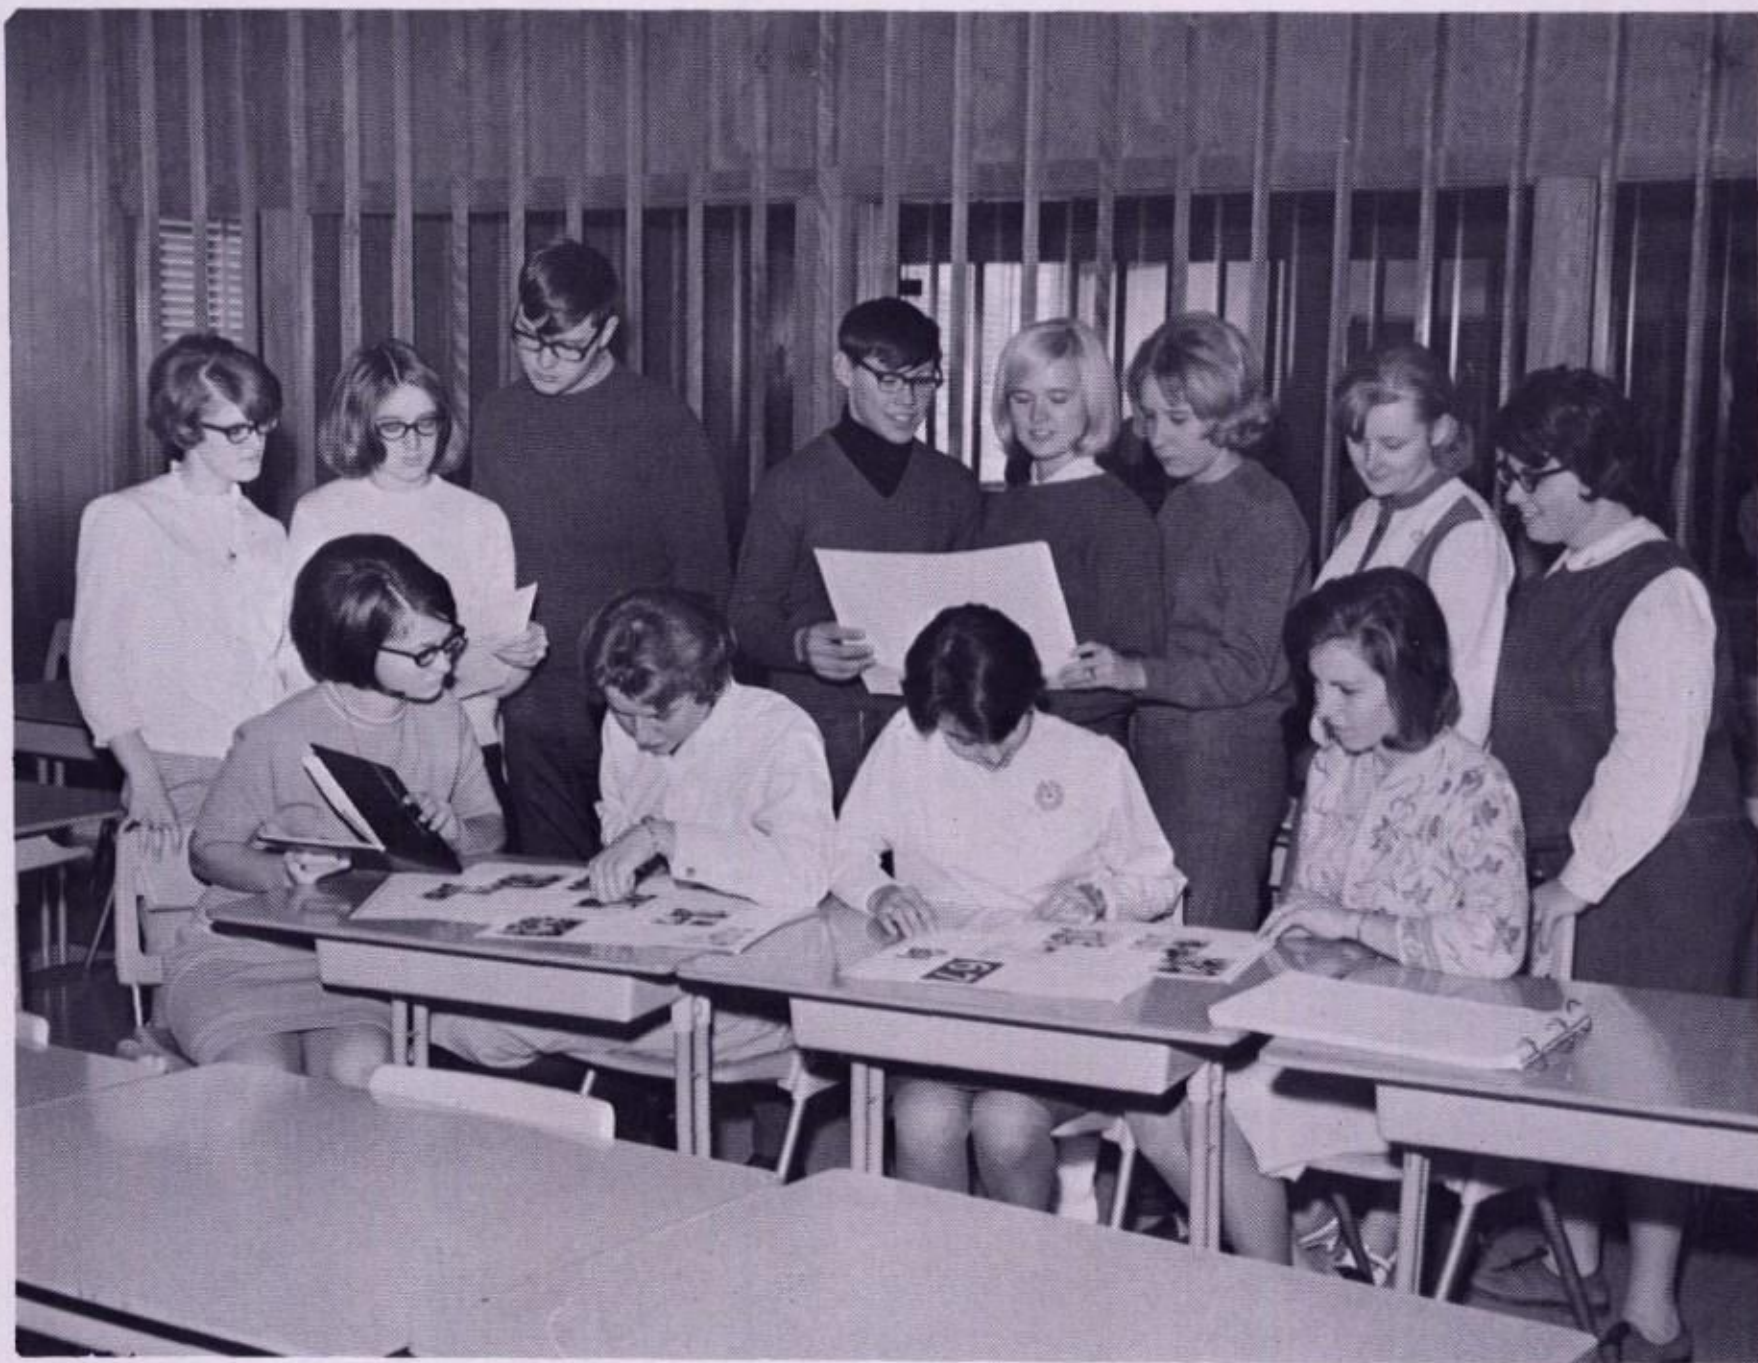

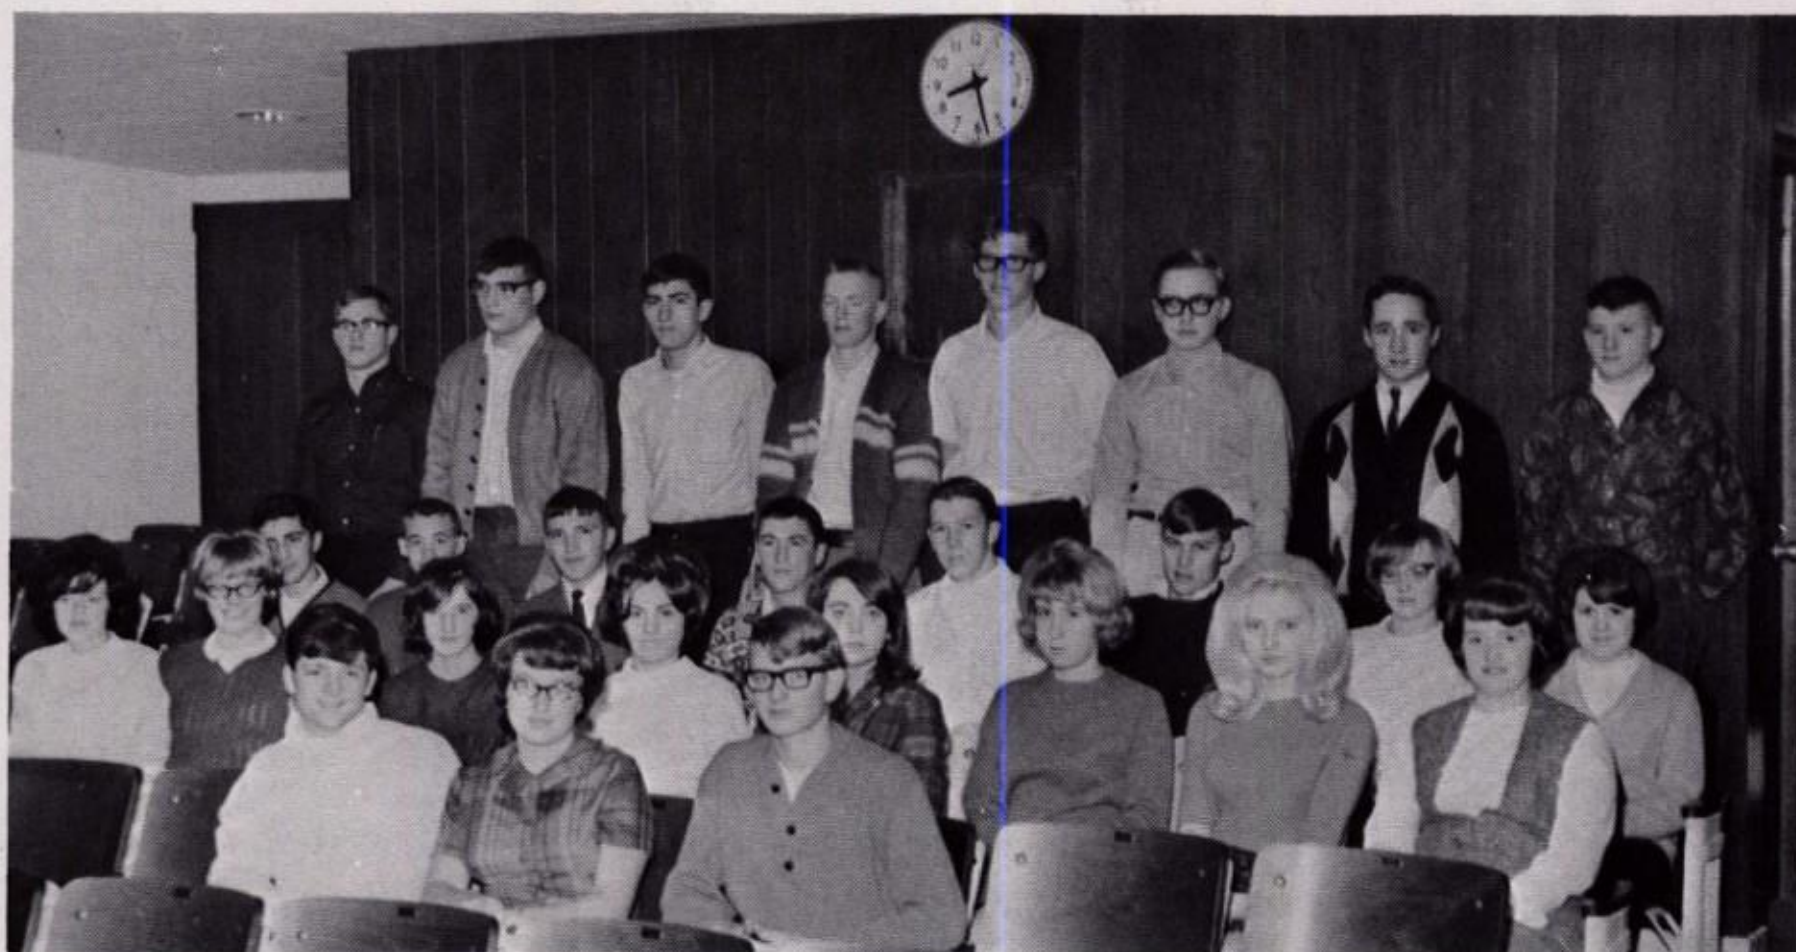

Patsy Sarow and Janet Lee helped with the typing and wrote articles.

Barb Palombi and Vicki Van Brocklin did a lot of typing and general work on the annual.

SEATED: M. Hasley, P. Mahlum, W. Church, Mrs. Bock. ROW TWO: J. Lee, P. Sarow, R. Lee, K. Schultz, C. Haugen, P. Terrill, V. Van Brocklin, B. Palombi.

These people head the Student Council: S. Coon (Treas.) and W. Adkins (Pres.).

Student Council

The Student Council is the governing voice of the student body. The members are elected by either a club or a class. Every club is represented by their class and one other person. The Student Council has made many attempts to strengthen the ties between the administration and the student body.

This year the Student Council hosted the annual District 5 Student Council Spring Convention. More than 500 persons attended this convention. The Student Council also sponsored Parkview's second AFS drive, which was financed by another candy sale and was a big success.

The members of the Student Court, a newly formed organization to aid in discipline, are as follows: (seated) P. Terrill, D. Abrahamson, S. Coon, (standing) K. Burki, B. Bolen, and T. Hartin. Their work has been very satisfactory.

V. Ballew (Sec.), Mrs. Teska (Adv.), K. Burki (V.-Pres.),

Wesley Adkins, a senior, is president of the Student Council.

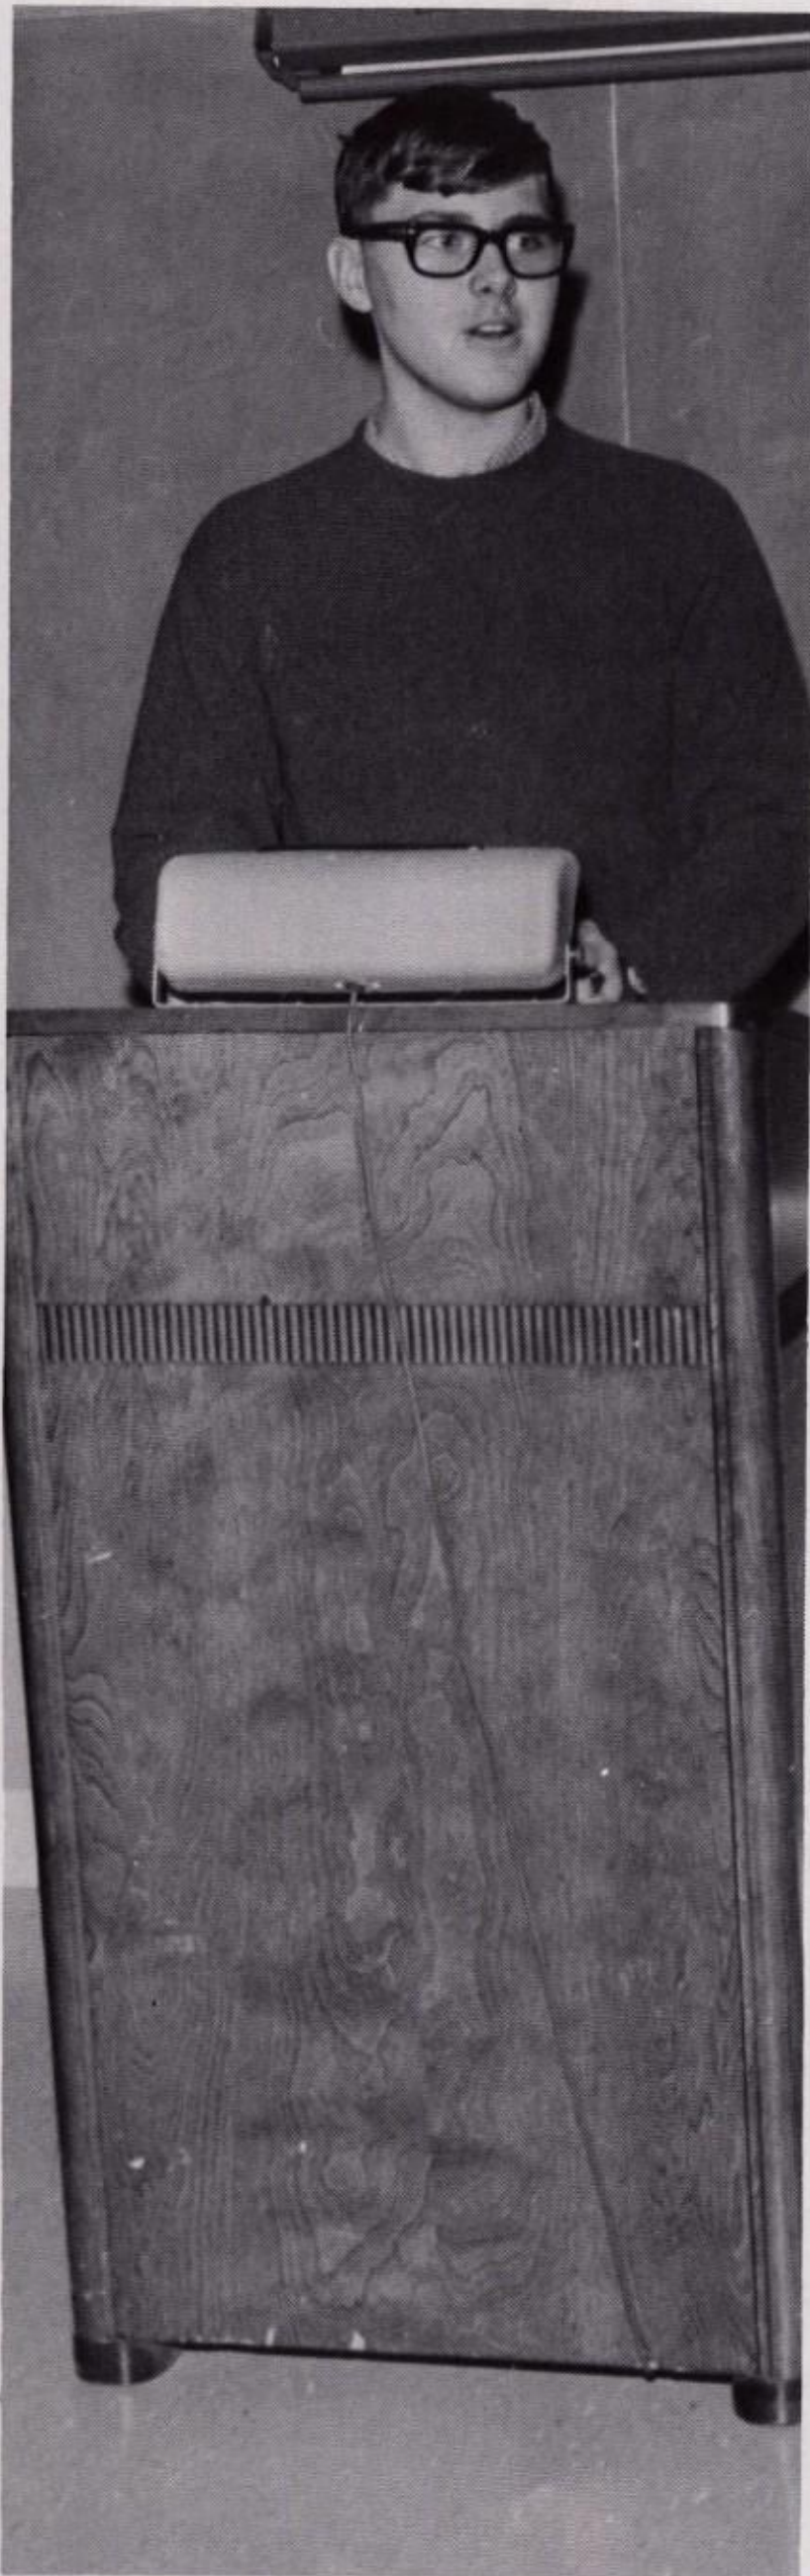

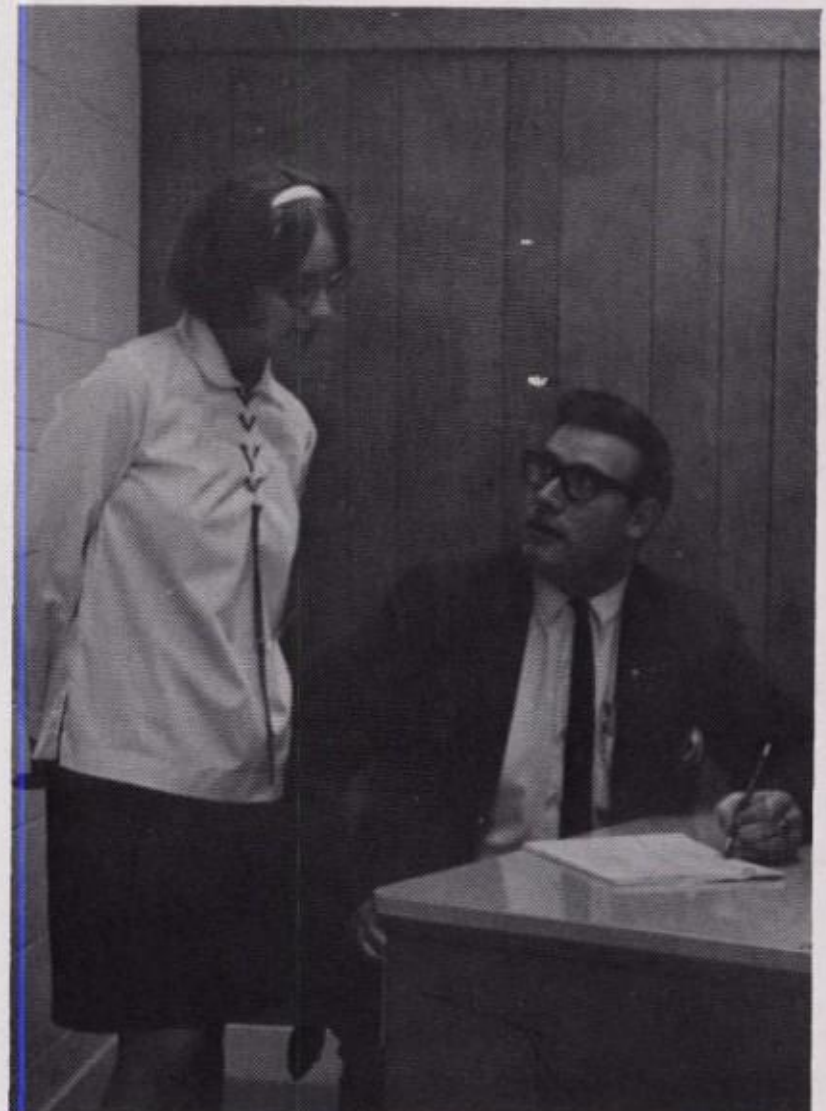

Forensics

Forensics gives students the opportunity to learn to speak and read better. The members present a speech or some speech project at the annual Forensics Festival. The winner of the district festival continue on to the state contest. Last year Sue Svoboda and Kay Burtness represented Parkview at the state festival. Forensics also sponsored a dance in the gym in which music was provided by the Persians.

Spanish Club

The Spanish Club elected these officers for this year; Lubin Chaves-Lobo, president; Don Bartlett, vice-president; Karen Engen, secretary; Wayne Gilmour, historian; and Colleen Schollmeyer, Student Council representative.

The Spanish Club was organized to allow students presently taking Spanish and those who have taken Spanish in the past, to get together and speak the Spanish language. It also enables the members to become familiar with the customs of Spanish speaking countries.

Each year the club sets aside an amount of money to be spent on something for the foreign language department. Last year the club purchased flags of several Spanish-speaking countries for the room.

The club's activities include a joint Spanish-French Club party which was held on February 11, and the customary picnic at the end of the year with various Spanish foods being served. Also this year a Latin American Fiesta, combining the efforts of the AFS Committee and the Spanish Club, will feature the talents of the AFS students from Latin America in this area.

French Club

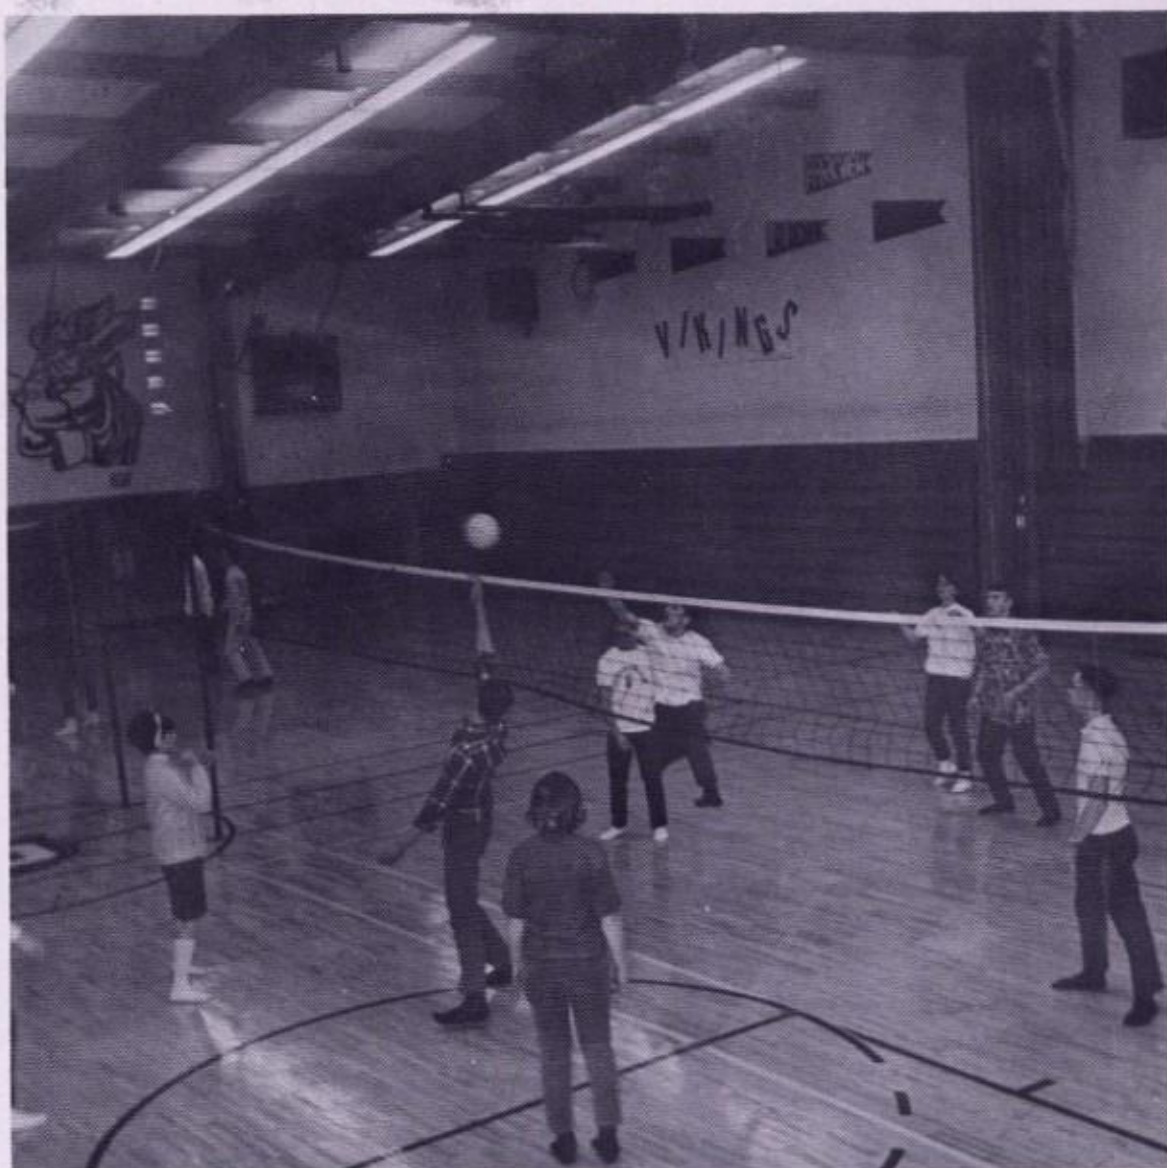

French Club members play a game of basketball at their Spanish-French Club party.

The French Club members elected the following as officers: Linda Bladorn (Pres.), Barbara Palombi (V.-Pres.), Marlys Pergande (Sec.), and Betty Arnold (Treas.). This year the French Club completed a scrapbook which they sent to a girls' school in Africa. A Christmas party was held during the last meeting before Christmas vacation and a dance was also sponsored.

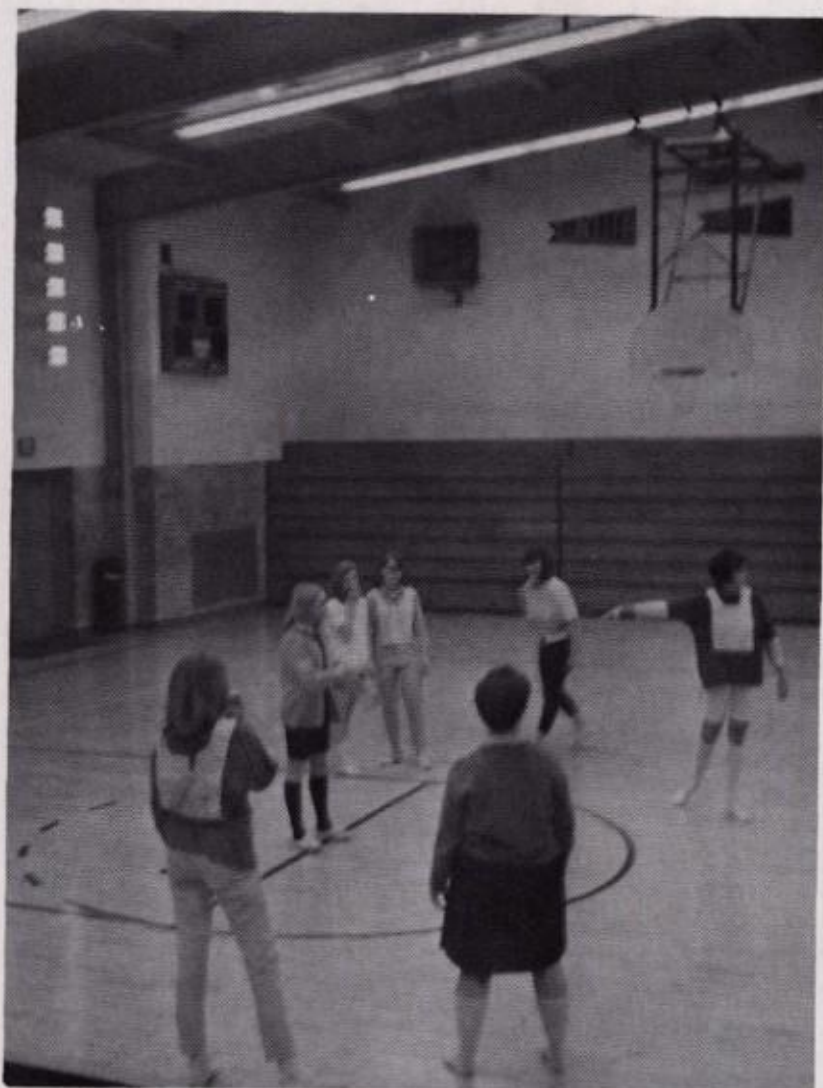

To become a member of the French Club, you must be taking French or have had one semester. The final event of the year was a joint Spanish-French Club picnic.

Spanish and French Club members along with their friends, play a game of volleyball at the party they had last winter.

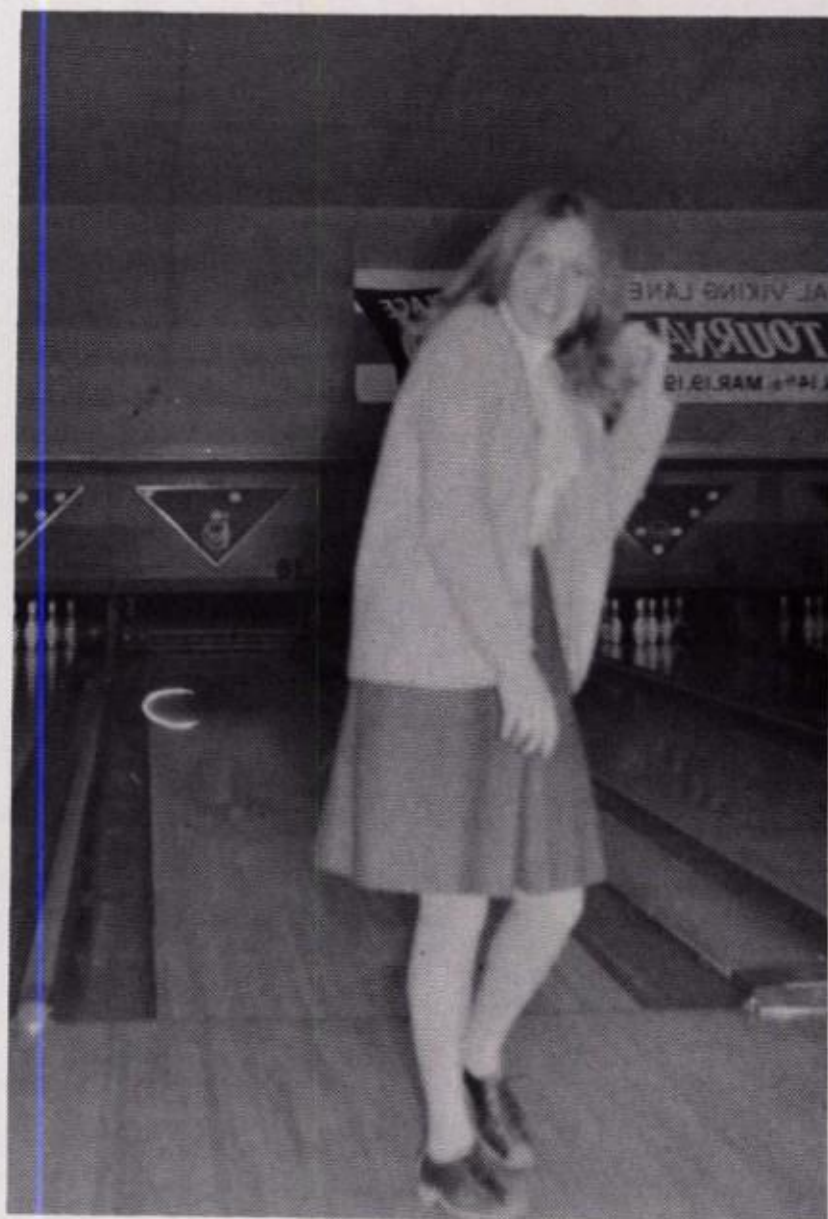

THE OFFICERS--Robert Bladorn, Barbara Palombi, Linda Bladorn, Betty Arnold, and Marlys Pergande.

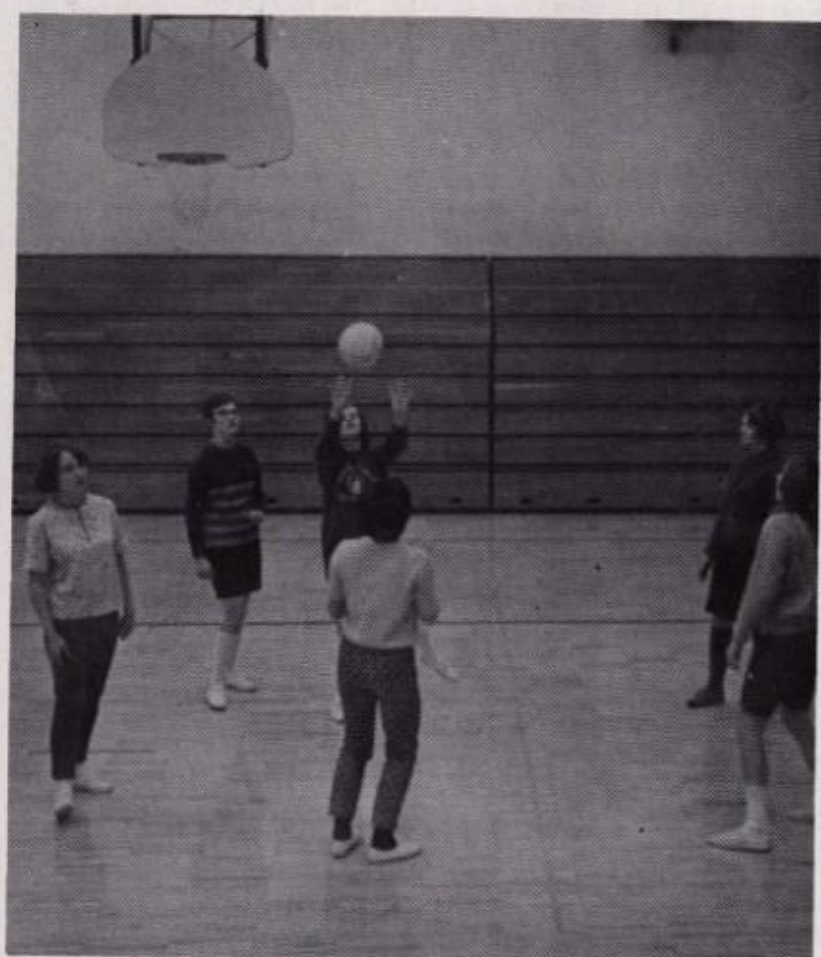

The girls get ready to play a fast game of basketball.

Debbie Burtness evidently just got the first spare that she has had in her entire life!

Girls' Athletic Association

Not only does this exercise strengthen the fingers, but it also improves the ball control of Gloria, Kay, Betty, and Vicki.

The GAA is an organization to provide girls with an opportunity to play sports that cannot be played elsewhere, like volleyball and basketball. Participation in these sports not only teaches the girls the game, but makes them function as a team and they learn to be co-ordinated and graceful.

This year the officers are as follows: Pam Mahlum, (Pres.), Linda Bladorn, (V.-Pres.), Joyce Spanton, (Treas.), Debbie Burtness, (Sec.). The advisor for the club is the girls' gym teacher, Mrs. Porter.

Besides the usual activities provided by sports, the GAA went caroling during the Christmas season. Many girls went out on a very cold night to bring some cheer to some of the people in the area.

Letters may be earned by gaining a total of 200 points by participating in sports, holding an office and being faithful to attend the meetings. This year several girls purchased sweaters to put their letters on.

Kay Burtness has the pleased look of satisfaction after throwing her ball. Was it a strike?

Mary O'Leary got another strike, or was it a gutter ball?

Judy Lythjohan is intensely keeping her follow through position until she is sure that she has a strike.

Keeping score is a real chore. It takes 4 girls to do it; Debbie, Jackie, Patti, and Terrillee.

Sunset Riders

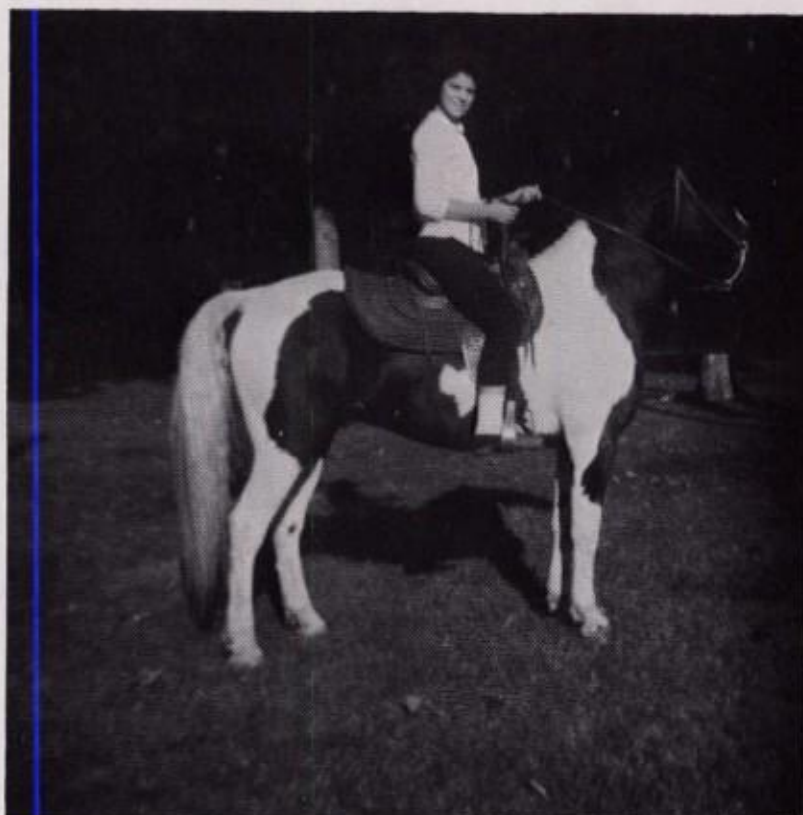

Kathy Halley rides her horse at the 4-H fairgrounds in Janesville.

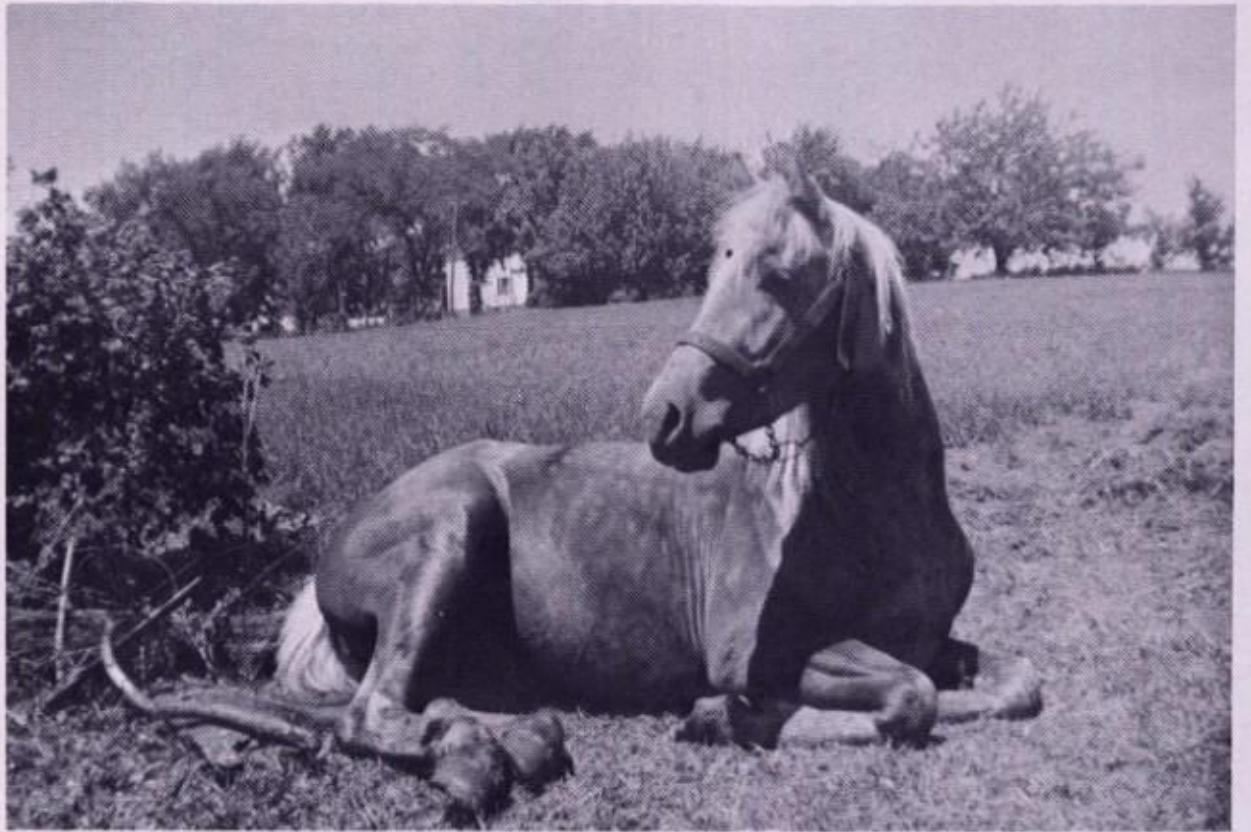

The Sunset Riders is an organization of horse lovers. They sponsor an annual Horse Show for high school students in the area. They had a riding clinic where they learned to rope, cut cattle and general horsemanship. Later the club had a trail ride.

The officers elected this year are as follows: Jackie Speich, President; Susan Coon, Vice-President; Shirley Carlson, secretary; Chris Tolley, treasurer; and Kathy Halley, student council representative. The advisor for the club is Mr. Porter.

Laurie Eldridge rides her horse at home.

Pictured here is a specimen of the reason for the club. All the members have a great love for horses and the activities surrounding them.

The Future Homemakers of America is a national organization for anyone who is interested in homemaking. Any person that has had one year of Home Economics may join FHA. The goal of the organization is to help individuals improve personal, family and community living, now and in the future. Understanding our Neighbors Near and Far is one of our goals this year.

The activities for the club include: collecting money for UNICEF at Halloween, their annual Mother-Daughter banquet, area competitive demonstrations, a semi-formal dance entitled the Snowball, a rally with other local clubs, a food stand at the football games, and a style show. The combination of all these activities made this and every year fun-filled and profitable for every member of the FHA.

Chess Club

The Chess Club is an organization which has been newly formed here at Parkview. The object of the club is to not only teach the members to play chess, but also to provide them with a place to play the game. The club holds tournaments amongst themselves and with other schools. The president of the club is Glen Sweeney, a sophomore. The vice-president is Dave Olson, a freshman, and the secretary-treasurer, Joel Leonard, is a sophomore.

Membership in the club is now at about 25 students. Unfortunately all the members are boys. In the near future perhaps some girls will invade the privacy of this elite group!

To raise money, the club sells ice cream bars at noon and pop and popcorn at the home games. The members of the club were able to buy T-shirts with their year of graduation on them. With the money they have raised, they have purchased articles for themselves and the athletic department.

As a club activity they went to see a basketball game in Madison.

Parkview Pen Staff

The Pen Staff was busy this year with many activities.

In the fall, three members of the staff: Kathy Halley, Vicki VanBrocklin, and Mary Ray attended a newspaper workshop at Whitewater University. They brought back many helpful ideas.

The staff put out a special edition of the Parkview Pen for the Student Council Convention in April. It was used in judging school newspapers.

When spring arrived, the staff planned a picnic to honor its members and reward them for completing their duties.

The paper appeared in two forms this year: on printed stencils and on copies finished by a professional printer. Many of the articles and stories appearing in the "Pen" were contributed by some of the English students.

Co-Editors of the Parkview Pen this year were Kathy Halley and Sue Svoboda.

Lubin Chaves - Lobo

Lubin Chaves-Lobo, our American Field Service student, is from the Grecia Province of Alajuela in Costa Rica.

Lubin has one brother twenty years old, and three sisters, thirteen, nine, and five years old. Lubin's father is a manager in the I.C.E. in Costa Rica which is equal to our Electric Power Co.

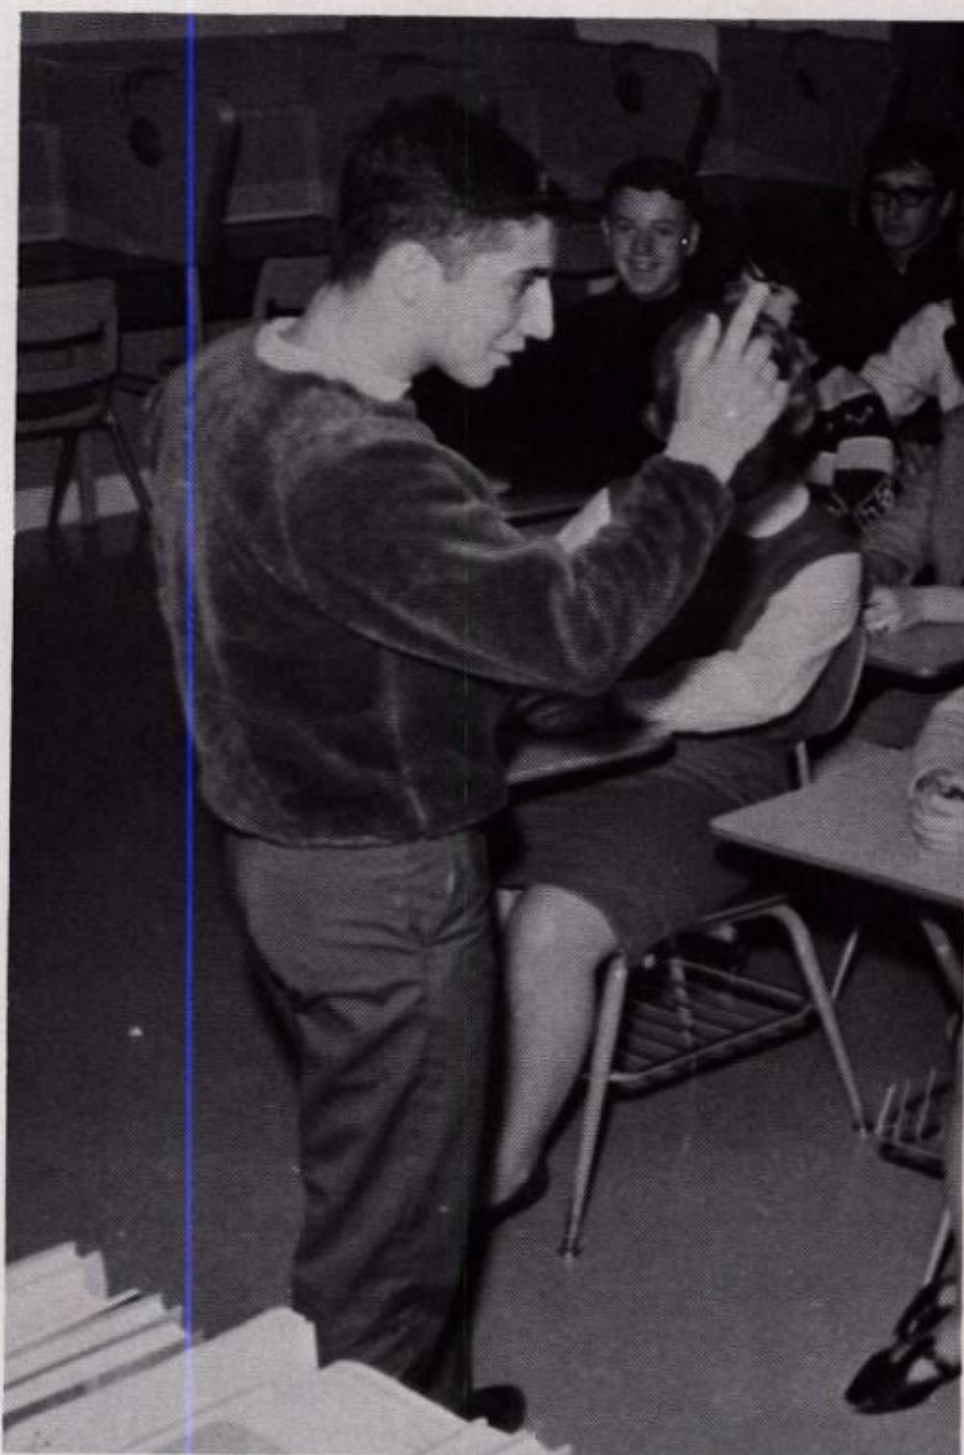

Beside English and Spanish, he also speaks a little French. Collecting pennants, listening to records, playing chess, and having friends are Lubin's hobbies. His favorite sports are basketball, bowling, ping pong and swimming.

Our foreign exchange student has a different school system in his country. They have six lessons a day, six days a week, and they study fourteen or sixteen subjects each year.

In Grecia, Lubin was president of his class and president of the student council in his school. Lubin thinks the United States is a country full of Democracy and nice people.

In the future, Lubin plans to go to the University of Wisconsin or to Harvard. He wants to be an electrical engineer.

Lubin is very active in school activities. He is pictured here leading the Spanish Club meeting. Lubin also went out for basketball, the all school play and the musical.

Science Club

The Science Club is a very busy organization throughout the entire year. All of the members worked on projects which were entered in the annual Science Fair. Meetings were held twice a month during the year so that a good project could be made. A \$25.00 bond was given to the Parkview student who had the best project.

This was the first year that Parkview competed with Brodhead in the science program and it was decided to have joint science fairs each year.

She is able to give the girls the inside story of nursing and help them make educational decisions.

Pam Mahlum is the president of the club, Rose Hasley is the vice-president and the student council representative, and Karen Johnson is the secretary and treasurer.

The girls who are sixteen or older work at the hospital or Caravilla while the younger girls are only able to work at Caravilla. They all enjoy working on their free days and even after school.

Sportsmen's Club

The main objective of the Sportsmen's Club is to provide boys who enjoy the outdoors a further chance to participate in outdoor sports and activities. Some of the things the boys do are trap shooting, fixing wild-life refuges, and hunting.

Photography Club

The main purpose of the Photography Club is to furnish the Annual Staff with photographs which are used for the yearbook. These pictures include various class and candid shots of students at work. This plan has worked out very nicely for the Annual Staff and is to be continued for many years.

The Photo Club also provides its members with a lasting and workable knowledge of taking and making good quality pictures.

Larry VanBrocklin develops some pictures.

Wayne Gilmour mixes the developing solution.

The candidates to Badger Boy's State were (from left to right) Ken Nelson, Dave Jensen and Tom Lythjohan.

Pam Mahlum and Joyce Mielke attended Badger Girls' State.

Badger State Representatives

The purpose of the Badger States is to promote an interest in and understanding of the principles of democratic government and to provide a practical program of training in citizenship.

This program is held at one of the state colleges and universities. These candidates attended Boys' State at Ripon and Girls' State at Madison. They live and learn by doing as they set up municipal, county and state governments and operate them under the influence of political parties which they organize and operate.

These study programs have been in operation since 1940. They are sponsored by the American Legion and the American Legion Auxiliary. Candidates are chosen for academic, leadership and patriotic qualities.

Many thanks should be given to the following organizations for their help in this program: University of Wisconsin, League of Wisconsin Municipalities, Dane County Bar Ass'n., various Civil Defense officials, numerous city, county, and state officials, and the State of Wisconsin Legislature.

"Grandad Steps Out"

Grandad, ill a year ago, is still considered an invalid by his daughter, Mrs. Morton. An old friend, "Big Jim Mahoney" returns from Arizona and wants Grandad to go out with him. Much sneaky planning is done before the big escape and is spoiled by a nosey neighbor lady. The results of this scheme along with a budding romance are hilarious.

The part of Mrs. Morton was played by Sue Svoboda. John Kjelland was Grandad, Steve Perkins was Jim Mahoney, Carolyn Haugen was Betty, and Bill Attlesey was Kip.

Sue Svoboda, as Mrs. Morton, helps John Kjelland as Grandad. He was her "invalid" father.

National Honor Society

This year the National Honor Society chose the following officers: Keith VanBrocklin, (Pres.), Janis Stauffacher, (V.-Pres.), Pat Wolfe, (Sec.-Treas.). Taking an active role in co-curricular activities, the club sponsored a food and clothing drive for needy families in the area. A new tradition was started this year as there was a formal initiation of new members.

Audio-Visual Aides

It is the job of the audio-visual aids to supply the teachers with equipment and machines to aid them in their teaching. Often when the machines have a minor breakdown, these boys are able to repair them. Each of the boys knows how to run all the audio-visual equipment that the school owns.

Homecoming 1966

"CHERISH"

Homecoming festivities began on Thursday night with our traditional pep rally, bonfire, and snake dance. The Homecoming game and dance took place Friday, October 28. The Vikings defeated Argyle in our Homecoming game. The reigning King and Queen were Marv Schoen and Carolyn Haugen. The decorations of the dance featured a large dangling football hanging from the ceiling of the gymnasium. Music was provided by the "Kelms."

King Marv Schoen and Queen Carolyn Haugen are crowned by last year's King and Queen, Paul Johnson and Sue Kitelinger.

Junior Representatives: Gary Ranum and Vicky Schollmeyer.

Freshman Representatives: Bruce Johnson and Judy Lythjohan.

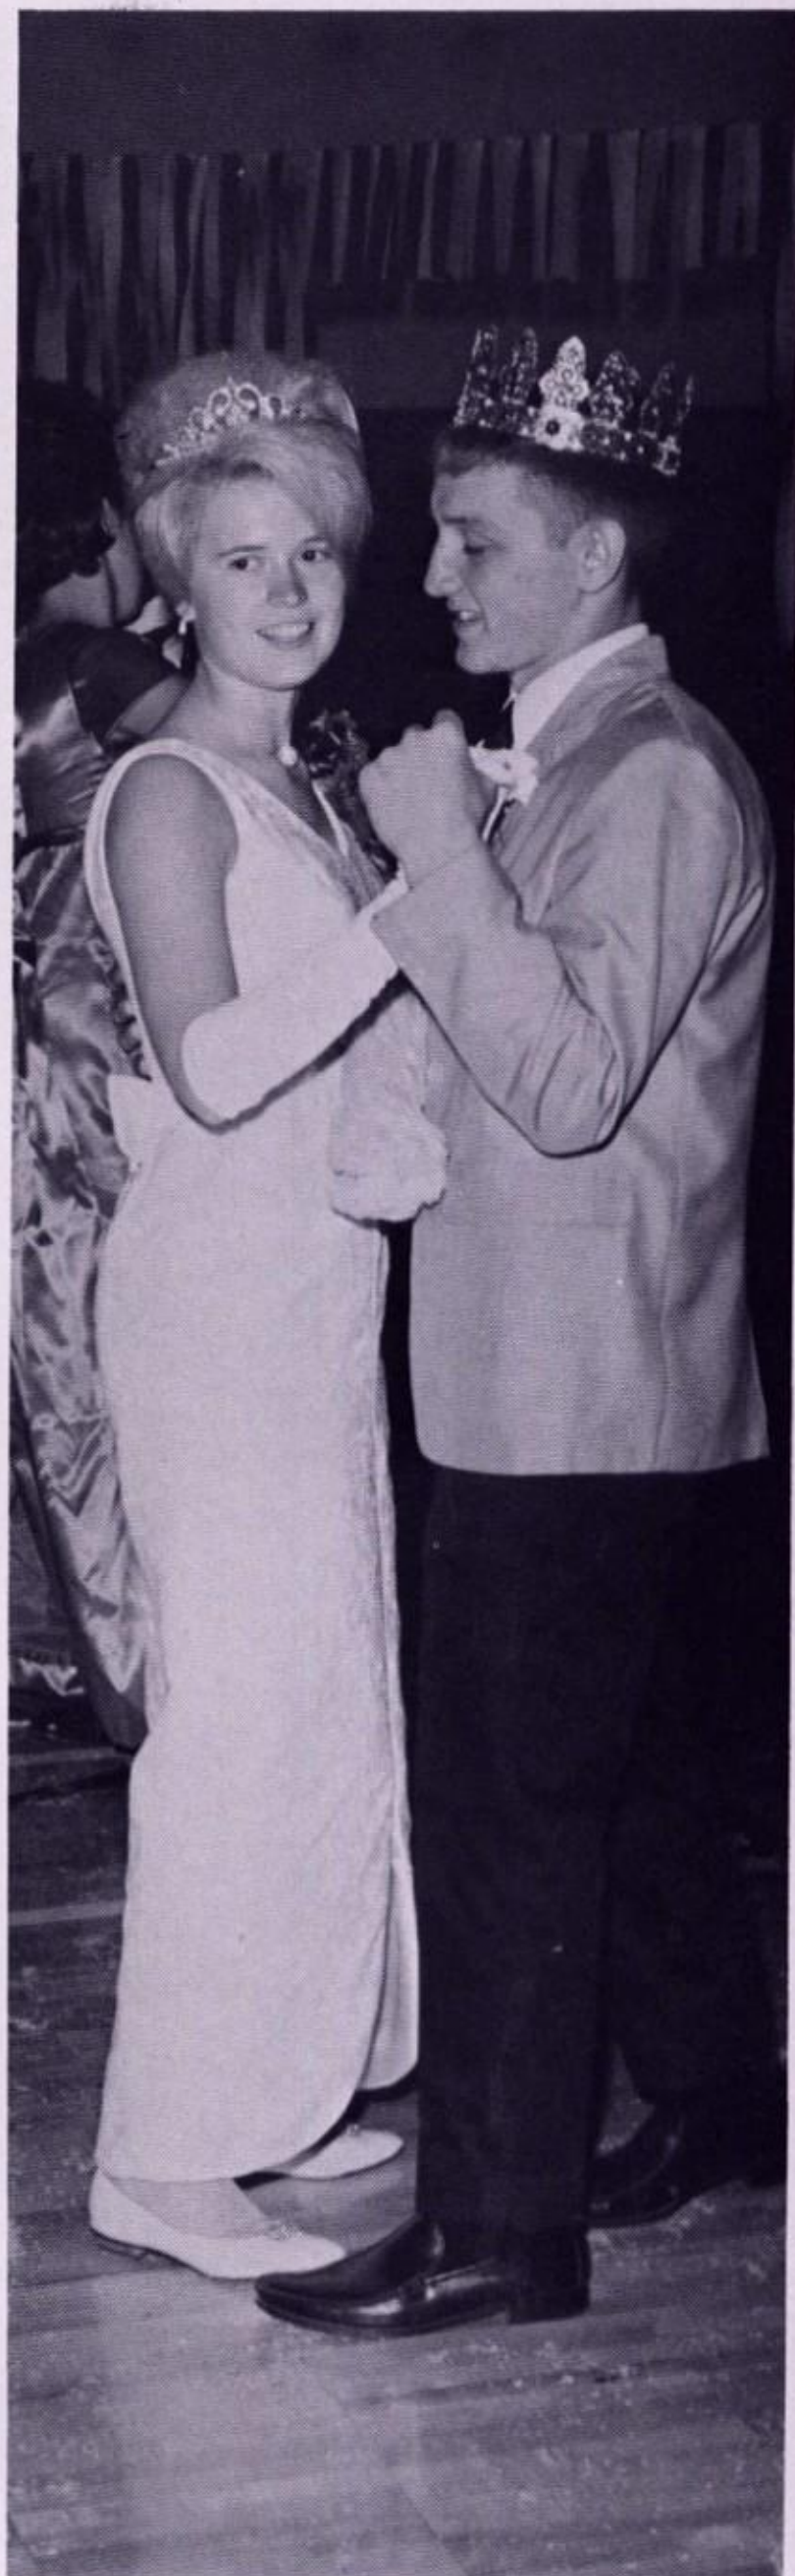

Senior Representatives: Curt Jorgenson and Judy McLimans.

At right Queen Carolyn and King Marvin enjoy the first dance after their coronation.

Sophomore Representatives: Warren Davis and Jackie Terrill.

Shangri-La

Shangri-La was the theme for the 1966 Junior Prom. There were Oriental decorations and the music was provided by the Squires.

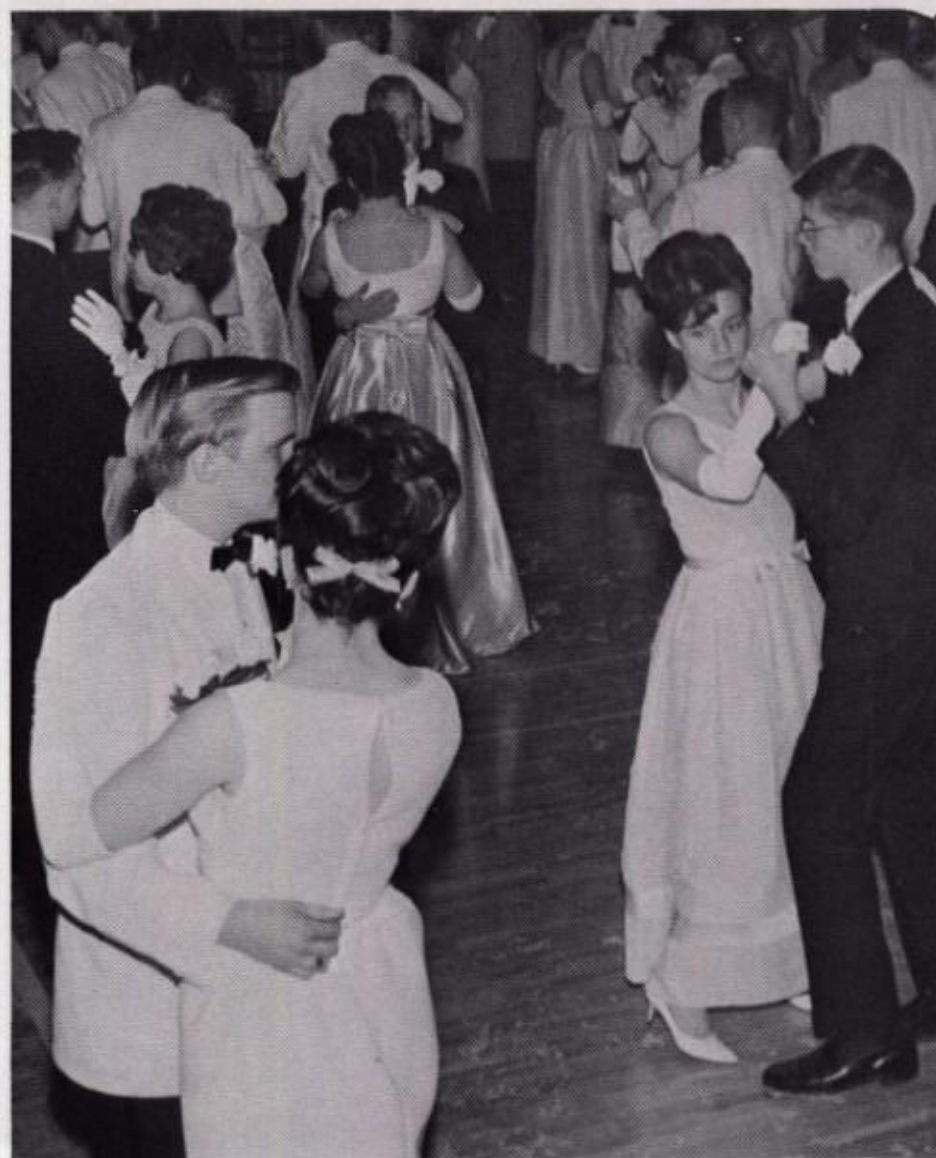

Steve Hagen was King and Mary Lou Evans, Queen. The Court consisted of Wyonne Church, Curt Jorgenson, Lonna Landsverk, Tom Lythjohan, Sue Coon, David Abrahamson, Janis Stauffacher, and Steve Perkins.

The miniature King was Ernest Frie, Jr. and the miniature Queen was Cheri Demrow.

Wonderland by Night

The 1966-67 Snowball was held December 30, from 8:00 P.M. to 12:00 A.M. The co-sponsors, the FHA and FFA, chose "Wonderland by Night" as their theme. The gym looked lovely with the evergreens, blue and white bells, and ceiling decor.

Tom Grenwalt and Roxanne Garetson, the king and queen of 1964-65, crowned Dave Abrahamson and Donna Utzig under the evergreen arch. The grand march followed with each of the members participating with their dates for the evening. Everyone danced to the music of the "Kelms".

This year's reigning king and queen were King David Abrahamson and Queen Donna Utzig.

The queen and her escort are going under the arch made by the king and his date.

This marvelous smile on Donna's face shows the great time had by everyone that night - especially the queen.

Concert Band

The Parkview High School Band elected the following officers for the year: Karen Engen (Pres.), Angela Carroll (V.-Pres.), Colleen Schollmeyer (Sec.), Marvin Schoen (Treas.).

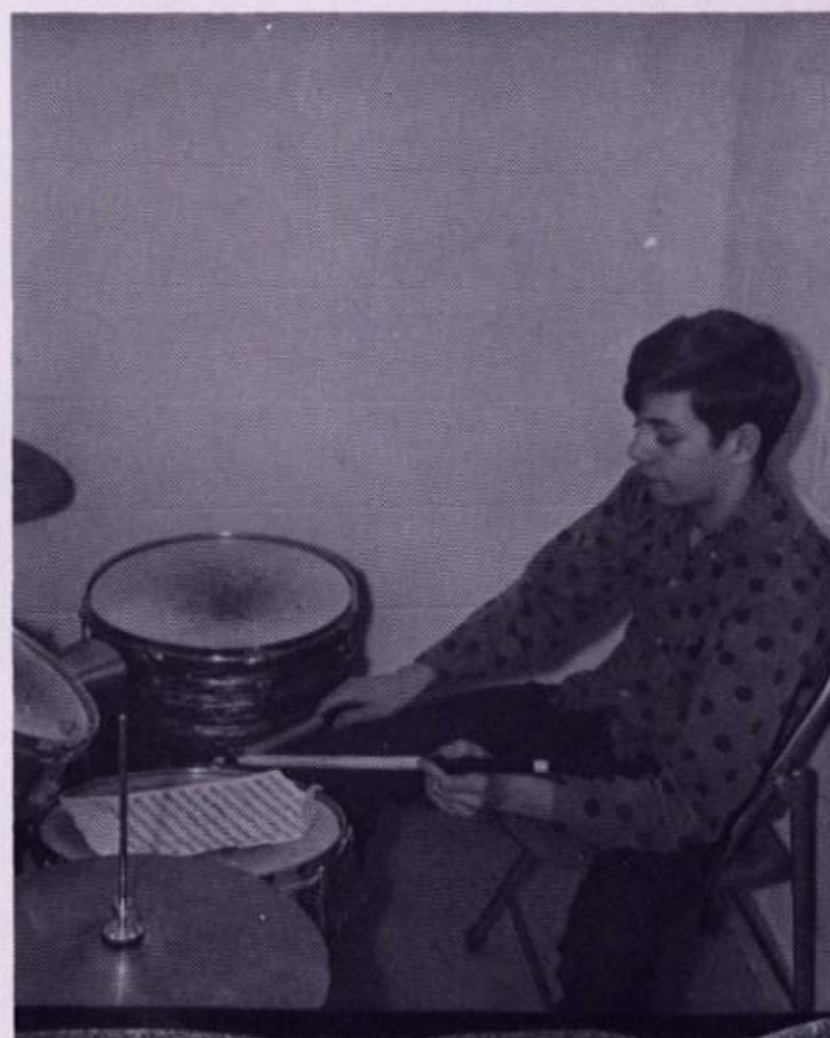

The band was very busy providing entertainment during the football and basketball season.

To raise money, the band sponsored a candy sale. The profits were used for scholarships and new instruments.

In addition to the winter and spring concerts, the band had an exchange concert with Brodhead and also participated in the spring District Music Festival at Albany.

A band picnic at Janesville climaxed a successful year for the band.

Danny Olson practices the drums.

The majorettes for this year are Patti McGinnis and Nancy Gosda.

"Sky High"

The musical "Sky High" was presented on February 23, 24, and 25. The play was under the musical direction of Mr. Robb and Miss Delores Marti, and the dramatic direction of Mr. Ormond.

Playing the part of architect Robert Winters, Keith Schultz finds time to romance Merrilee Sommers, who is played by Marion Hasley. To carry the riotous humor of the play, Pam Mahlum is the fast-talking career girl Bea Collins, and Pat Terrill plays New York's determined city planner, Roberta Moses. They lock horns in hysterical disagreement.

Robert Winters and Roberta Moses try to construct a 140 story skyscraper on the site of Franklin Russel's home. Mr. Russell is played by Rick Lee. Franklin and his good friend, Merrilee refuse to sell and plan to fight Mrs. Moses. The resulting battle is filled with humor and everything is resolved for the best by the end of the play.

Many hours of practice were needed to perfect all the lines and actions. Here, Pat Terrill, as Roberta Moses, and the chorus work out their parts.

Marion Hasley and Rick Lee were caught from the back as they act the parts of Merrilee Sommers and Franklin Russell.

Many scenes take place in the throne room. Gloriana is seated and Tully stands at her side.

The Mouse That Roared

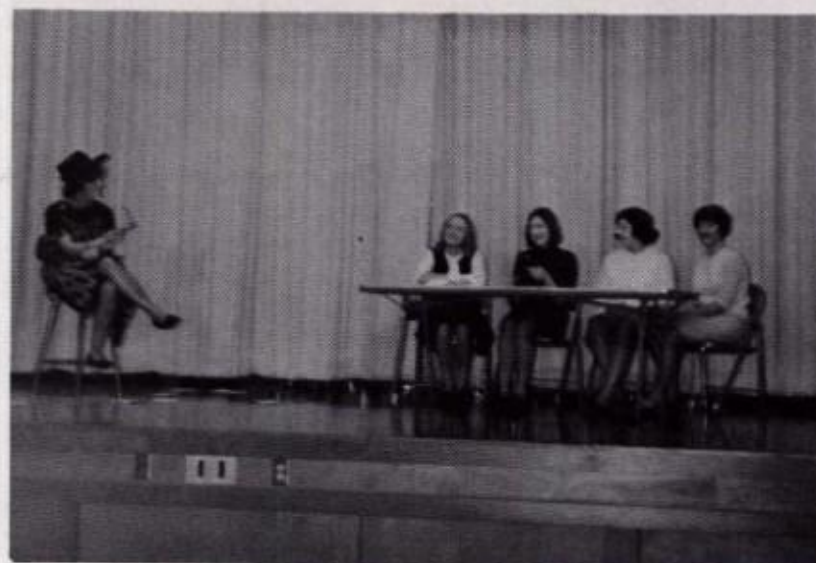

This play was presented as the all school drama. It is a comedy about a pretty girl of 22 who happens to be the present Duchess Gloriana, sovereign of a microscopic country in the Alps founded centuries ago by a roving band of English bowmen. Gloriana's unique solution to the near bankruptcy of her tiny domain is to declare war on the United States! There's some method to her madness, however, for her study of recent history suggests that the surest way to wealth today is to lose a war with the United States, for the peculiar country's odd reaction is to pour aid, relief, and rehabilitation on the vanquished.

The scheme is blown when backwoodsman, Tully Bascom defeats the United States!

The part of Duchess Gloriana is played by Patti McGinnis. Tully Bascom is played by Rick Lee.

Interviewing the travelers was done by Kay Burtness in a very hilarious manner.

Administration

Superintendent Delbert McGinnis

You, the members of the graduating class of 1967, are leaving high school in times that are both good and bad. Examples of the bad times are the war in Viet Nam and the slaughter of human life on our public highways. You, the graduate, will now soon be taking your place as a responsible adult citizen. You will have to help solve some of these problems that have created our "bad times."

On the bright side, our Country is more prosperous now than at any time in its almost 200 years of existence. In material things we have never had such a variety and quantity of machines and other contrivances to make our existence in this country relatively easy and pleasant. Our scientific advancements in space medicine, and in almost all other areas has been beyond our wildest dreams. All of this offers many challenges to you which we hope your high school education has prepared you to accept. Most of these challenges require additional education and training which most of you will find will be necessary if you are to get and hold a good job. With these thoughts in mind on behalf of your teachers, I bid you farewell from Parkview High School.

Principal Hugh Porter

Upon receiving your high school diploma on June 4, 1967, you can reflect with great pride upon a job well done. For the past 12 years you have diligently applied yourself to the pursuit of knowledge which has taken you from a child of 6 years, possessing only a basic knowledge of his immediate environment, to a young adult, who has tasted the fruits of the multi-facets of the total knowledge of mankind.

Rather than look upon graduation from high school as having obtained your educational goal, I would like to strongly urge each and every one of you to look upon this commendable achievement as only the beginning of your education. Today we are living in a world which is placing an increasing emphasis on the value of a highly educated individual in specific occupational areas. If you are to truly reach your ultimate potential as an active contributing citizen in this great society of ours, it behooves you to further your education in the occupational field of your choice, be it that of a beautician, a machinist, a teacher, or a lawyer.

I sincerely hope that you will make full use of the knowledge you have gained the past twelve years using it as a base for furthering your education in the field of your choice. Above all, remember that a job worth doing is a job worth doing well. Continually strive for excellence in any pursuit you undertake.

Guidance Counselor

Len Demert

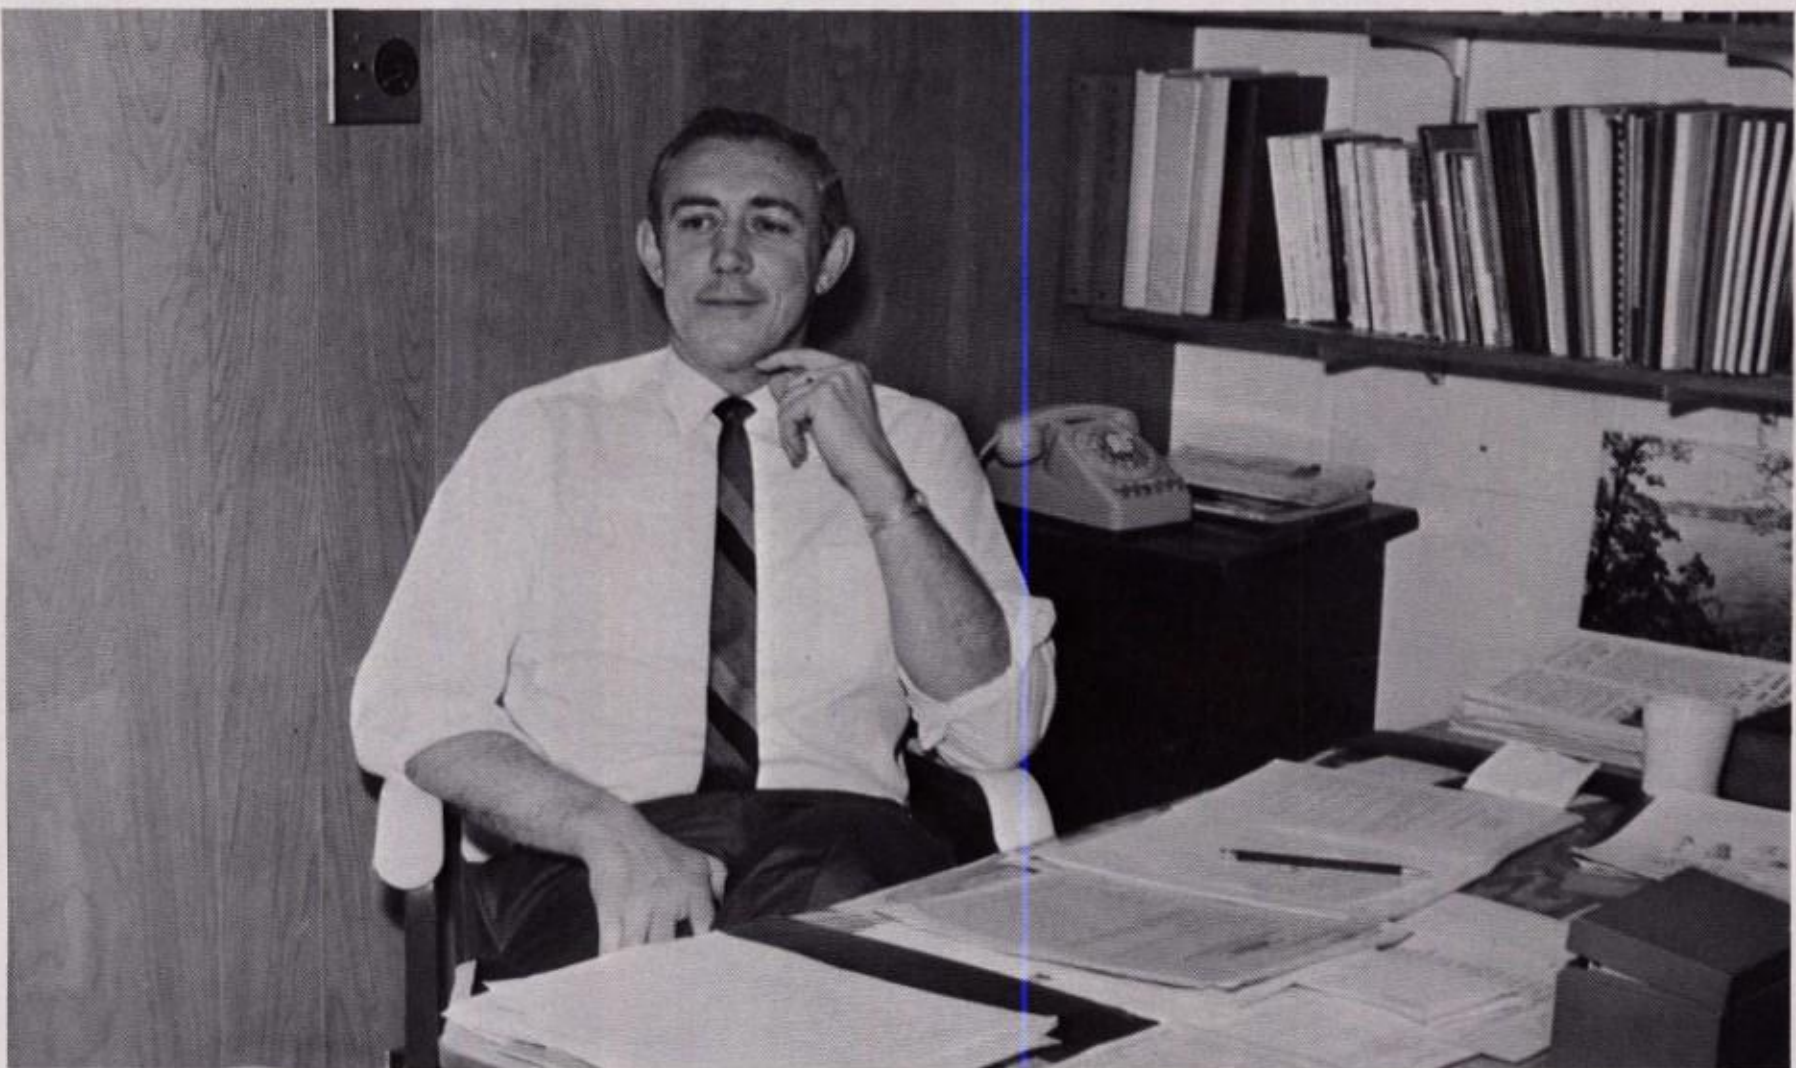

The guidance office is always open to all students who wish to discuss personal problems, a vocational or college planning. Many times direct answers to their questions are not given but outlets are provided so the student can arrive at his own decision. It is easy to tell someone the course or path to follow, yet pupils are more likely to follow a course of action if they have made the decision themselves.

Because we have computers and other machines that quickly produce ready made solutions to complicated questions, the problems and fears of growing up are many times treated in the same manner. This is when counseling can be most effective. It provides the student with an opportunity to talk through their newly formulated ideas without the fear of ridicule and outside pressures.

Higher educational planning does not necessarily mean attending colleges or universities, but includes vocational schools, trade schools, apprenticeships and work-study programs. One of the main objectives is attempting to get pupils to understand their own potentialities and abilities. After realizing this, the conclusion reached should have a greater and a more everlasting meaning for their lives.

Most students find it very easy to talk to our guidance counselor in this relaxed area.

SEATED, Left to Right: R. Bartlett, R. Nyman, E. Renly, M. Abrahamson, (Clerk), A. Selck, (Treas.), L. Beck, D. Nelson, (Pres.).

School Board

Our School Board has a total of 61 years of service as school board members. Some of these years of service were as board members of elementary districts prior to becoming a part of the Parkview High School district.

Major improvements authorized by the Board for the 1966-67 school year are the instigation of Spanish instruction for the elementary children through the use of films and the employment of a full time nurse which has greatly improved the health services to the students.

Secretaries

A secretary's life is a busy, busy, one!
In fact, it seems like our work is never done!
There are tickets to sell and passes galore
And phone calls to answer by the score.
There are reports to the state, many letters
to write,
And money to count to keep our schedule tight!

A student wants this, a teacher needs that.
There's a meeting at 4:00! Hold on to your hat!
The day is nearly gone and what have we done?
Doesn't seem like much, but we've been on the
run!
Though we've worked very hard & there's much
left to do,
We still had the time for a smile or two!

Cooks

The cooks have spent much time in preparing
our food. In one year they used 8,640 loaves of
bread and 1,800 pounds of butter. For one serving

they used 100 pounds of hamburger, 250 pounds of
potatoes, and 30 pounds of macaroni in goulash.

Grace Pann, Marge Piese, "Bitz" Abrahamson, Isabelle Anderson, Judy Cowan.

Mr. and Mrs. Art Johnson.

Mr. and Mrs. Ralph Schuman.

Custodians

All year these four people work to keep Park-view spotlessly clean. In the course of a year, the Janitors use over 65 gallons of wax on the floors, 500 pounds of soap on the laundry, and 50 gallons of soap for scrubbing purposes.

The following people are the bus drivers for the high school students. Every weekday they transport about 371 kids traveling over 600 miles.

Each member of the staff deserves a great deal of gratitude.

**Your Janesville Gazette
and the Studios of
WCLO-AM and WCLO-FM**

Where North Parker Drive joins Janesville's East Milwaukee Street, you will soon see faith in the future become a reality, not a mere dream come true. Like Southern Wisconsin we've grown out of ourselves in order to keep pace with the space necessary in communications. The new building will contain new two - story offset presses to produce full - color, noticeably sharper pictures and type. Gazette business and news offices occupy the first two floors while WCLO - AM and WCLO - FM will originate their broadcasts from our top floor studios. As a partner with Southern Wisconsin, we are extremely happy and proud that these modern facilities will help us keep our promise to tomorrow - and bring you a better newspaper, and better broadcasting.
